

Healing to the Nations Revelation 22:2

Paula Connelly Ministries

Dear Friends,

*Sept/Oct*NEWSLETTER

Hi Everyone Graeme and I really hope this letter finds you well and prospering in every area of your lives. As we will be off overseas for 6 weeks, I thought it best to keep you all in the loop and would love your prayers also for our up-coming trip to Europe, (more info below).

It has been a while since my last newsletter in May, so I thought I had better catch up you all up on the latest news and all that's been happening in these last few months!

We have been so blessed seeing so many touched by God, healed and restored, refreshed and on fire for God. It has been our privilege to partner with various ministries in Victoria over these months in seeing lives changed and transformed! Life is exciting I must say, never a dull moment serving our God!

Recap over these months:

Healing Meetings – Albury/Wodonga region

Our monthly healing meetings have been building momentum; it's actually been very exciting to see what God is doing in these meetings and in people's lives. We are seeing breakthrough in areas of hearts being healed and restored. Every meeting has been different to say the least. God has surprised us each time as we have allowed Him to direct us. Many women found healing in the last meeting; it was a beautiful response to the word given and the Holy Spirit ministered to each one there. I have had many wonderful testimonies saying they received exactly what they needed, God is so good!

The team is growing too and we have started our very own worship team and loving it. Tony, Clay, Stephanie and myself, plus we had some awesome musicians join us from the Culcairn bible college and that evening was the most powerful time of worship I have been in, so many were hearing from heaven! We intend to continue with the healing meetings in November this year.

It was wonderful to have Andrew and Esther Vardis ministering with us along with Steve and Kim Beaumont. Both these couples have spent time in the Bethel school of ministry in the USA and God is moving through their ministry. Please take time to pray for them as they continue in their work for the Lord. Andrew and Esther head to Ethiopia this week and they will be ministering with a team to the Muslim community and the local Christian community, let's keep them in our prayers.

Numurkah ministry weekend – Hope for Hearts outreach.

What an awesome time we had with Pastor Terry and Jo fallowfield and team in Numurkah.

Always such a blessing to be with these guys!

Saturday night we joined together to host within the community a healing event called HOPE for Hearts. It was a wonderful time of worship and the Holy Spirit was moving powerfully ministering to the people. Many received from the Lord it was a time of refreshing and restoring hearts.

Sunday we joined in their service and again had the opportunity to preach and minister to the whole team. Thanks Terry and Jo and team for an awesome weekend! So good to see and hear what God is doing in the town and the church there in Numurkah.

REST for your Heart one day seminar

Well what can I say what an awesome women's event! Held along with the amazing Wendy Hayes and the Sozo team hosted by Pursuit 61 church in Melbourne. Again what a privilege it was to serve and minister in this one day seminar. Many were having breakthrough in the prayer ministry and so many touched by God throughout the whole day. The word being REST has been an ongoing reminder for us to enter into the rest of God and not be striving about our lives, so many women found comfort and healing through this message and we were all refreshed in His presence on the day. Want to say a BIG Thank You to all the girls and guys that supported, hosted, played in the music team, led worship, helped set up (Michelle) and the sozo team that came and ministered and to Pursuit 61 Pastors Rob and Juzzy for their amazing big hearts and allowing us to use their church building but also for welcoming us – we were so refreshed being there and spending time with them. Thanks to Wendy for everything too, just love doing life with amazing faith filled women of God!

EUROPE/CAMBODIA/PHILLIPINES

Ok, Now to fill you all in on the up coming trip to Europe. It has been on our hearts since we last went there in 2012 to go back. I really felt to pray God open the doors to this nation, but I honestly just didn't know how that would happen. We decided to plan a holiday there and just go see what God is doing, plus eat some Crème Brulee amongst other yummy desserts!

God has other plans, He knows the way and He makes the way. It is with great news, as we prayed in the last healing meeting for these doors to open, that we have made a connection through Stephanie Cecil cousin there, who spoke with a couple who have been pastoring in France and doing some evangelism, that they heard we were coming. The wonderful thing is we will be going to do a meeting with them ministering to women in the community and some Christian women also combined gathering, plus hoping to speak in one of the churches.

I can hardly believe it, but God is making a way and we are thrilled to have this invite and to go and minister healing. They have emailed me and asked please pray for the people, this land can be hard ground. So I would love for you to join me in prayer for this connection and the gatherings and for the hearts to be soft and seeds to be sown in this place for the Lord. We are praying salvation and healing to come to these women and over these two meetings plus to be a great blessing to them

and bring refreshment. I feel in my heart overwhelmed by the Lords amazing grace and how He so knows what to do and how as we trust it all over to Him. This has been a real eye opener for us and we can see God is up to something much bigger than we dare, dream, think or imagine! Ephesians 3:20

Our plan is to also visit [CAMBODIA](#) on the way back from Europe. Also an amazing opportunity arose through re connecting with Katrina and Paul who started Mothers heart in Cambodia around 6 years ago. Graeme and I will spend 4 days there with them in their program and working with the women, praying and helping where we can.

Philippines – November.

We are planning another trip to Philippines to specifically work again and alongside Pastors Emie and Gordon Kalich – Eternal life ministries. Also Graeme is looking at the building side of things to continue the work of helping to rebuild.

We are in the planning stage and hoping to go back this November and minister to the women, and hold healing meetings as well as visit some of the local pastors and their churches to encourage and build them up in the name of Jesus.

God is doing an amazing work there amongst our brothers and sisters in the Philippines, we want to continue to go and stand alongside them in their work there, many are hungry for the Lord and this is the time to GO!

PRAYER – IS A NOW WORD! Praying is and always will be the now word, but I have felt recently to really draw aside and pray and intercede, sometimes I don't even know what it is exactly, but I do feel the Lord is saying Pray for the Nations! So many are hungry for the Lord, so many need the Lord, there is so much going on in our world. We need to pray, pray, pray for the nations, for our brothers and sisters in Christ.

I also feel at this time, to ask BIG things, not small things that we can do in our own efforts, but the greater things He can do in and through us, John 14:11-13. Ask anything in my name...and He will do it.

Our God is a big God, mighty to answer and mighty to do what He says in His word. If you need something ASK HIM, He will do it.

I trust this newsletter is encouraging and I trust you are strong and courageous and we ask pray for us and with us on these God Adventures, I know you are All faith filled believers so this is why I ask you to pray alongside us.

Thank you always for your love, prayers and support. I know together we will see EVEN GREATER THINGS, beyond what we DARE, DREAM, THINK or IMAGINE. Much love and blessings, if you desire to support see our details below, if you want to come on a trip contact me 0438563918, or email me, love to hear from you!

Much love and Blessings,

Paula and Graeme Connelly

Sponsor a Pastor – in the Philippines along with Pastors Gordon and Emie Kalich of Eternal Life Ministries in Tacloban Philippines. There is opportunity to monthly support the pastors there if you would like to contribute let us know. For approx \$80 (AUD) you can sponsor a pastor and family helping them support their work in their local church. Many of them don't receive much for pastoring, so this is a great help to them.

Also we intend to go back to Philippines in 2014 for more ministry and heart revolution seminars across the islands, bringing healing and salvation in partnership with the local churches and pastors there in the Islands. November is our next trip TBA dates soon.
